SCHOOL SHOES PROGRAM

Catalyst Ministry strives to provide opportunities that allow Christians to show God's love to all residents of our communities. The "School Shoes" program is one of those opportunities that will occur again this year on Saturday, the 27th of July at 10:00.

Catalyst Ministry launched the school shoe program for the disadvantaged children living in Woodlawn Homes in northern Painesville. The program has been very successful in providing shoes for children and in providing Christians an opportunity to personally show God's love to others. Relationships between the two families often start during this time together. Both the Woodlawn families that receive the shoes, and the Christian families that provided the transportation, benefit from the School Shoes Program.

Catalyst Ministry would like to extend two opportunities to you with respect to this program. The primary opportunity is for families to participate in the program and to take Woodlawn Homes families to get their shoes. Catalyst Ministry will provide the funds to purchase the shoes. The second opportunity is to financially support Catalyst Ministry and the "School Shoes" program by making a contribution to Catalyst Ministry. Catalyst Ministry is a non-profit 501C3 organization.

If you are interested in taking a family to buy school shoes, please register on the Catalyst Ministry website, www.catalystministry.org or fill out the attached form and return to me by the end of the day Sunday 7/14/19. Catalyst Ministry requires two adults to be involved with taking a family for shoes. Participation by other family members and children is encouraged.

Thank you for considering participating in this program. Please contact Neal at 1-440-497-8506 if you have any questions.

Sincerely,

Neal Nelson
