On a transforming path of
Christ-centered discipleship

“Footwork”

I hope to “get off on the right foot” as I begin this article. So let’s talk about feet!

There seems to be an endless list of expressions and clichés that reference feet. We express emotions with feet by stomping to indicate anger. If we “step on your toes,” it could mean we hurt your feelings. Getting a “foot in the door” can represent assertiveness, whereas playing “footsie” can be affectionate and “knocked off your feet” suggests surprise.

When you don’t want to do something you may be accused of “dragging your feet” and when you are ready to go you “kick up your heels.” When someone does not tame the tongue, we assert that they “stuck their foot in their mouth.” When someone makes a poor decision we declare “they shot themselves in the foot.” If you’re independent, you “stand on your own two feet,” and, someone who thinks quickly is said to “think on their feet.” Because we are weak with “feet of clay”, we might become sick, but we also get “back on our feet” with restored health. We can be “footloose and fancy free” or have “a foot in both camps.” Insert the word as an adverb and “foot washing” means service while a clumsy person has “two left feet.”

Now before I “get off on the wrong foot” let me “put my foot down” and explain the importance of feet.

Feet display activity and vitality. A well-worn path indicates something is going on. Moving feet show life and purpose.

Our mission is to lead all onto a transforming path of Christ-centered discipleship. The path is not a scenic overlook where you stand and observe. A path is meant to be traveled and followed. Discipleship is not static, it is moving upward, deeper, together and outward. Discipleship is transforming because when we walk on the path, God is not content to leave us as we are.

Everyday footsteps mark the work of ministry of this congregation. We walk in through the church building to worship, learn, and serve. Our feet carry us out into the world to be the hands and FEET of Jesus. We’re a church that is marching onward, outward and upward.

In the United Methodist Church we take a vow to support the church with our prayers, presence, gifts, service and witness. Use your feet to:

- Walk with the Lord in the fellowship of prayer
- Carry you to worship on a weekly basis
- Step up your giving as the journey of discipleship stretches you
- Walk in a ministry that helps us carry out our mission
- Take yourself out into the world as a witness through word and deed
- Join a small group to nurture your faith

The journey takes us where we haven’t been before and that usually means we will be stretched. As you walk the path of Christ-centered discipleship I encourage you to “run with perseverance the race marked out for us.” (Hebrews 12:1)

ORGAN REPAIRS

By Church Conference action the church is moving ahead with major organ repairs to the electrical system. The organ has served the congregation for nearly 40 years with only regular maintenance. The cost will be in excess of \$50,000. We are seeking to secure the funding before the renovations are performed, but if the pending failure of the electronics occurs before that date, funds will be borrowed.

If you are looking for a place for designated memorials, this would be a wonderful option. More information regarding the organ fund will be provided to the whole congregation in November.

As a host, you can choose the menu and help to coordinate shopping for food and instructing our volunteers in the kitchen that evening. We encourage families to group together and financially support a meal for the month. Costs have been averaging \$150 to feed up to 75 people. **The next three dates that are available to host are December 28th, February 22nd, and March 29th.** If you would like to sign up to host or volunteer for a meal, please email Karen Martin at dansgirl9065@sbcglobal.net. Also, sign up is available at the Welcome Center on Sunday mornings.

The word agape means love and extends to the love of one's fellow man. As a small gesture to the guests who have been joining us, we have given out **agape bags** for them to take home. Some items included in the bag have been rain ponchos, water bottles, granola bars, devotionals and more. We are looking for donations of gloves, mittens and hand warmers for when the weather turns colder. If you would like to contribute items suitable for the agape bags, please place them in the tub marked "More Than a Meal AGAPE" at the Welcome Center on Sunday mornings. We have been handing out approximately 40 bags each month, but expect that to grow.

LIBRARY NEWS

Did you know that there are six things a child needs to learn to read? Check out the Library Corner on the church website to find out what they are.

The Library has been busy developing special topic sections on the bookshelves. Besides the area for new books and the United Methodist Women's Reading shelves, we have 14 other areas including parenting, marriage, prayer, and United Methodism.

Did you know you can access the Library card catalog from any computer and reserve items? We will then pull the item and let you know it is ready for pick-up.

Carol & I thank you all. Your prayers, cards and calls have been overwhelming and our God has responded with his unending Grace. I have responded well to the surgeons efforts and we think he got the bad stuff all out. Nine hours in surgery did slow me down a bit — but the time is here to return to an active pace. Thank you — and our love & appreciation to all.

BIBLE STUDY SERIES: "Walk As Jesus Walked"

Because God speaks to us through the Scriptures, studying them is a rewarding experience. Come join us in a **Bible Study Series** held Sunday mornings between services from 10:10 - 10:50 a.m. in Room 112. There is no cost for study books and you don't have to be a Bible scholar to fit in. All are welcome to attend each lesson or feel free to drop in on the class as your schedule allows.

How badly do you want to be like Jesus? Over a 10 week period (started September 8th), we will be using the "Walk as Jesus Walked" study book and DVD series written by Ray Vander Laan. As disciples of Jesus, we've discovered that following Him requires our commitment to the biblical text and a devotion to Christian community. But there is more. Come discover the fierce passion of our early Christian brothers and sisters to walk like Jesus — even when the path becomes treacherous.

THROUGH THE YEARS

The logo for the United Methodist Church is the Cross and a two tongued Flame. We have all seen this logo many times.

This logo was adopted in 1968, the year of the merger of the Methodist Church and the Evangelical United Brethren Church into the United Methodist Church. The Cross relates the church to the worship of God through Christ.

The Flame represents the Holy Spirit. It is a reminder of Pentecost when witnesses were united by the Holy Spirit and saw "Tongues as of fire" (Acts 2:3). It is also understood that the two tongues of the fire signify the union of the two denominations to make the United Methodist Church.

The Methodist Church in Britain's logo is an Orb and Cross (it looks like a solid circle cut into quarters) with the wording, The United Methodist Church, underneath it. The Orb represents the world. The Cross is in radiant form to symbolize the glory of the risen Christ.

He created and developed the Lake County Forensic Crime Laboratory and the Lake County Narcotic Bureau. He is the author of the book, *Justice Delayed—The Road to Brown v Board of Education of Topeka and the Civil Rights Movement*.

A special program, An Evening with Judge Mitrovich, sponsored by Wildwood Cultural Center and the City of Mentor Community Arts Commission will be held on Thursday, November 7th, 7-9 p.m. Program is free but registration is required. HOLIDAY FOOD & GIFT MINISTRIES

This holiday season show Christ's love to others through buying, sorting, or distributing food baskets and gifts to families in need. Reflecting on over 300 people who were fed by the church last year it is a reminder that Jesus called his disciples to "feed my sheep" and to this day nothing about that calling has changed. As we move into the Thanksgiving season each of us as disciples have an opportunity to help show the love of Christ to our community through the simple act of providing food for another. There are a number of ways you can serve, please pray over connecting in one or more of the areas below.

Shopping for Food: Pick up a grocery bag and shopping list after the worship services on November 10th & 17th, fill the bag with the listed items, and bring back to the church before November 24th. This is a simple way to make showing the love of Christ part of your daily routine. Invite family to shop with you and pray over the items you buy before bringing them to church! Stop by the Welcome Center on these Sundays and see what items still need to be bought for the Community Thanksgiving Dinner. Make a double impact by purchasing Baker's Square Pie Cards that support the youth ministry and provide desserts for the meal! Grocery bags will again be available on Sunday, December 1st and 8th and should be returned by Sunday, December 15th as we gather food for the Christmas distribution..

Sorting or Preparing Food: The church prepares food boxes for anywhere between 70—100 families in the Mentor areas which means there is a great need for people to sort and assemble food boxes so that every family sent to the church gets fed. Join together on Sunday, November 24th, 12:15 p.m.—3 p.m. to help sort donated food and assemble food boxes for individual families. Do you like to be a little more hands on with food? Come to Mentor UMC anytime during the day on Wednesday, November 27th to help chop, stir, bake, saute, debone, and prepare the Thanksgiving feast! On Sunday, December 15th, 12:15 p.m.—3 p.m., we will join together to sort and assemble the Christmas food boxes.

Distributing or Serving Food: What better way to show Christ's love than to warmly welcome families into the church and provide them with food that will feed adults and children this season. Come to Fellowship Hall on Monday, November 25th, 9 a.m.—12 p.m. or 6 p.m.—8 p.m. to help take boxes of food to families cars as well as be a loving presence for all that enter the church doors. The same will occur on Monday, December 16th from 9 a.m. to 12 p.m. and 6 p.m. to 8 p.m. to help distribute food and gifts to the families. Additionally on Thursday, November 28th, 11 a.m. to 2 p.m. help serve over 200 others with a Thanksgiving meal that will feed not only their body but nourish their souls.

Interested in how the church connects people and food the rest of the year? Contact Pastor Jon Wilterdink, jwilterdink@mentorumc.org to find out more ways to show Christ's love through feeding people.

Christmas Gift Trees: In conjunction with the Food Distribution you are invited to show Christ's love by gifting the children of families listed as in need of assistance, giving to a local community organization, praying for another, or serving someone nearby you. Starting December 1st, *Praying, Caring, Sharing & Giving* Gift Trees will be located in Fellowship Hall and outside the Chapel. Consider taking an ornament from these trees that include:

A GREEN TREE ornament symbolizing GIVING. The ornament will have the name, age, gender, and interests of a child for whom you may purchase a gift.

A RED HEART symbolizing SHARING. There will be hearts with different dollar amounts which include a gift card to give a loved one telling them the charity you have donated to in their name.

A YELLOW ANGEL symbolizing PRAYING. Each ornament will have the name of someone who needs your prayers throughout the holiday season.

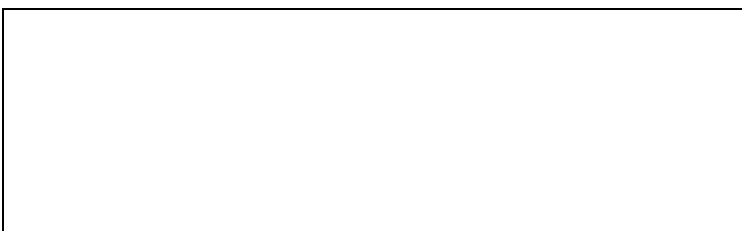

A BLUE BELL symbolizing CARING. Each ornament has a suggestion for something you can do to help your friends, neighbors, church members or other people in need.

Any GIVING gifts (green tree tags) must be returned to Mentor UMC by December 15th in order to be distributed to the families on Monday, December 16th.
