

# STEEPLETALK

SEPTEMBER 2015

Summer time is marked by school recess, little league baseball, vacations and the dog days of August. All of these might lend themselves to say, "It's time to take a step back from church activities and slow down. Quite the contrary at Mentor UMC!

We have witnessed three months of activity and excitement that spell MINISTRY. I marvel at the activity that lives into our mission to lead all onto a path of Christ-centered discipleship. Let me share...

- Small groups have met
- Book studies shared
- Weddings
- Music Sunday
- The Watoto Children's Choir from Uganda
- More than a Meal monthly free community meals
- Thursday evening worship
- Youth Service Project to Michigan
- Vacation Bible School (VBS)
- Charter Members singing the National Anthem at the Indians & Captains games
- Middle School Mission week
- Rummage Sale
- Bridges Out of Poverty training
- Theatre Camp and the production of *Alice in Wonderland Jr.*
- Appreciation breakfast for teachers and staff at Heritage Middle School in Painesville
- Bible presentations and blessing of the backpacks
- Finishing the construction preparation for the Open House
- A week serving VBS at Woodlawn Apartments

This is amazing, and certainly not a complete list!

One particular ministry, the VBS at Woodlawn, touched the lives of children in low income housing. A daily program of activities, lessons and food was provided. All together 66 children were registered. There were 42 adult and 18 youth volunteers, including those from Mentor UMC.

The organizer of the event wrote, "What a great month! Blessings abounded and God's love was shared and His word conveyed."

Two brief stories were shared from the organizer: "After the week was over, a few children were at the playground including some who routinely came to the program. One girl (10) who I met for the first time today, asked me if we still had food at the Community Center for her friend, who I will call S. S was a regular attendee with the program. S did not make it to church today so her friend said she was hungry, and S was. Later talking to S's mother, she asked 'Is the program really over? I wanted her to be able to come more.' She was thankful for the time her daughter was able to spend with us and obviously appreciated the time her daughter had there, and seemingly the food provided."

**2016 Annual Operating Budget/3 Year Commitment for  
In THis House Building Enhancements**

Each year we have the opportunity to make a commitment toward the next year's operating budget. This allows the church to plan a budget and move into the year with a strong estimate of giving. This Fall we will be given that opportunity once again.

This year, like 2012, we will also include a 3 year campaign for capital improvements. In the Fall of 2012 we were challenged toward support of a campaign to support building enhancements. Commitments were made with a 36 month pay in opportunity. In the early summer of 2014 we voted to begin construction on Phase I of planned enhancements. The construction is winding down, but the time has come to make another three year commitment toward paying for those building enhancements.

We have been blessed with personal resources, and the church has been entrusted with building resources. Our call is to be and make disciples; we do so through the ministry and mission of the congregation. Through our annual budget and the continued support of the building enhancements, we live into that call.

During the month of November, we will look at a picture of vision and building coming together through the work of restoration in Jerusalem during the days of Nehemiah. We will be challenged to commit financial support to the mission and vision through our commitment of stewardship for the 2016 operating budget and another 3 year commitment to support payment on the loan for the building enhancements.

Our goal is simple:

1. Support the mission of the church through our support of the annual budget.
2. Commitments for payment for our building enhancements over a three year period.

Breakdown of needs:

The annual budget is around \$1 million.

Planning, studies, architectural and campaign expenses	\$249,895.00

## ***Pastor's Message Continued . . .***

Mentor UMC member and volunteer Richard Carpenter shared, "I went to Woodlawn VBS because I enjoy meeting the children and establishing a relationship with them to bring them the message by our actions that God cares for and loves them. Seeing the joy in the children brings joy to me also."

It has been a great summer. Ministry at Woodlawn is a great example.

Well done!

— *Pastor Kurt*

### **ANNOUNCING OUR NEW YOUTH DIRECTOR**

**Toby Mattern has been hired to fill our Youth Director opening.** He is a 2015 graduate of Malone University with a Bachelor of Arts degree in Youth Ministry and a minor in Bible and Theology. Toby has been engaged in ministry to and with youth for several years, both in the local church and camps. He is from the small town of East Liverpool, Ohio. He is engaged to be married. Toby started his position here at MUMC on August 31st.

Toby is passionate and energetic and thrilled to be joining us. He writes, "I am called to show the love of Jesus to this broken culture. It is only because of God's grace and the sacrifice of his son that there is hope. My passion is for students to become devoted followers of Jesus, discover new life in him, and believe that they can make a big difference in this world."

### **- - - - THROUGH THE YEARS - - - -**

The opening of the new additions to our church are exciting and will enhance the church missions in the coming years. New buildings and additions are not new to this church which has seen many changes in its nearly two hundred years. The original church was in the homes of the four original families that worshipped in Mentor with Rev. Ira Eddy in 1818. Over the years, that evolved into a structure that was shared with the Baptists at the northwest corner of Mentor Avenue and Center Street.

The first building at the current location was dedicated in 1848. The land was purchased for \$50.00. The contractor took his payment in cattle. The next church building was dedicated in 1906. Some of our members remember this church. It sat where the current chapel is today. It was constructed for a total of \$10,000. The dedication sermon was delivered by Bishop Perry. In the back of the church were covered horse sheds which were later used for automobiles. The sheds were torn down around 1920. A pipe organ was added in 1914.

A major addition was completed in 1951. A fellowship hall and a kitchen were added. These were situated where the old Wesley and Asbury Rooms were located. The cost was \$44,000. Another addition in the fifties was the 1957 Education Wing. This wing included classrooms, a parlor later renamed the Pettit Room, as well as church offices, and restrooms. The Education Wing cost was \$215,000.

By 1962, the church had outgrown the old sanctuary. A new sanctuary, the current one, was dedicated in 1963 at a cost of \$250,000. This served a church membership of around 1,500, several times the membership at the time of the 1906 sanctuary. A new Schantz pipe organ was added in 1975 and was refurbished last year.

The 1906 sanctuary was still standing in the 1970's, being used for storage, when it was determined that the building was no longer structurally sound. A new plan was developed to build a chapel at its location. The stained glass dome in our chapel was salvaged from the old sanctuary. In addition, the breezeway between the sanctuary and the chapel was enclosed, a new parlor was added, new church offices were built, and a new kitchen and fellowship hall were constructed. This entire project was completed in 1988 at a cost of over one million dollars.

As we enjoy the newest additions and changes to our church, take a moment to remember the hard work and vision of many dedicated church members whose efforts in the past have brought us to where we are today!

## A Word from the Trustees . . .

The purpose of the Board of Trustees is to function as Christian stewards of the property God has entrusted to this congregation so that we can be effective in our mission to lead all onto a Path of Christ-centered Discipleship.

With the opening of the new church facilities we have created a beautiful and welcoming space. The purpose for our building has always been to enhance our ministry and mission. That means the church is to be used, and with use comes wear. Scratches, scrapes, scuffs and stains will be a reality for our active ministry/mission center. Only a museum stays pristine. But that doesn't mean we should be careless or thoughtless.

We have a dedicated lead custodian and assistant that work to keep the property maintained and clean. With the new space, we have added about 20% to the size of the building. That means 20% more space to care for without an increase in staffing.

The custodial staff cannot do it all. **In THIS House** we all need to serve as custodians and good stewards of the resources that have been provided us as we work to lead all onto a Path of Christ-centered Discipleship. We believe that this is God's house and we want our facilities to honor Him and inspire people. As we travel on this path we all need to serve as partners in the care and preservation of our church facilities.

To keep the facilities looking clean and neat we can all do our part. When we do, we'll help to make the church a more welcoming place, just by appearance.

To our members, here's the challenge for what we can all do together:

The **C A R E** Plan...

**C**lean up after you use a space  
**A**rrange the furniture  
**R**ound up the trash  
**E**xtinguish lights

Thank you for your **C A R E** in helping keep our mission/ministry center welcoming and warm.

— The Board of Trustees
