Informational Listening Posts at Mentor UMC for the UMC’s Special General Conference in Feb. 2019
In advance of the United Methodist Church’s Special General Conference to discuss issues of Human Sexuality and the church on February 23-26, 2019, the pastors of Mentor UMC with the backing of church leadership will present three informational listening posts.

The posts are to help any interested persons understand the issues under discussion, the proposed plans under consideration and the possible results from the Conference for the church, worldwide, nationwide and on a local level.

On Wednesday, February 20 from 7-8:30 PM, we will hold a 90-minute session in the Chapel. We will spend 30 minutes describing the two basic positions of United Methodists on the issue of human sexuality and the Biblical issues at play and have 15 minutes of questions regarding the information we have shared and responses. Then we will spend 30 minutes describing the three plans proposed to the Special General Conference and the possible results from the Conference for the church, followed by another 15 minute session of informative questions-and-answers.

To attend this listening post, you will need to sign-up at the Information Hub or online via Sign-Up Genius. Each session will be limited to 60 participants. We encourage you to sign-up for one of these events so that you can be prepared and informed on this important time in the UMC.
