WEEKLY UPDATE

Sunday, July 5, 2020

Happy 4th of July!

www.mentorumc.org

As summer unfolds, we continue to explore the questions Jesus asked. This week, Jesus asks us to look at our own stash - How many loaves do you have? We are glad to have Pastor Quincy back from paternity leave and leading us in worship this Sunday!

It is also Communion Sunday. Be sure to gather some bread or crackers, and some juice so we can join together in this holy meal. Jesus invites you to remember him!

You are also invited to review our Building Reopen Strategy. A mailing is on its way or it can be accessed on our website or church app. The document seeks to lay out the guidelines we will follow as we return to our building on July 12. You are receiving the entire document so that we will all have the same reference. The short version is:

To be together is to agree to care for each other.

To safely gather will require each of us to follow guidelines.

To stay home and worship online with us is to be a part of our fellowship.

Opening our building is similar to opening businesses. I recently read this tweet: "Some of us are super excited. Some of us are frustrated that it took this long. Some of us are hesitant to return. Some of us are even downright angry about all of it."

Yep we are a mixed group.

Yet we are the Body of Christ. As we seek Jesus together we will experience God's presence, we will know God's power, and we will be witnesses of God's grace. So, we press on ... slowly ... with love and care for details as we love and care for each other.

Keep doing your part to grow in your faith and share your faith with others.

It is my prayer that you continue to engage in our ministry. Things look different. Honestly, they feel different. But God can take our lives and do abundantly more that we can dare to dream or imagine.

Pastor Sondra

PATRIOTIC STAR WREATH KID'S CRAFT- JULY

Materials Needed:

- Paper plate
- Red paper (or white paper with a red crayon)
- Blue paper (or white paper with a blue crayon)
- Scissors
- Glue
- Access to the 12-STAR PDF or a star-shaped cookie cutter
- Any kind of ribbon, cut 12 inches long

Directions:

Step 1: Cut out the center from the paper plate. Most paper plates have a line that you can cut along. (TIP: You can fold ***NOT CREASE*** the plate in half and make a small cut to get your cut started. Also, younger children will need some assistance from an adult!)

Step 2: You can do this step a couple of ways. You can print the 12-STAR PDF on red and blue paper (you will only use 6 of each color.) If you don't have red or blue paper, you can print all 12 on white paper and color 6 of them blue and 6 of them red. If you are using a cookie cutter, trace 6 stars on the red paper and 6 stars on the blue paper. If you do not have red or blue paper or a printer, you can draw 12 stars on white paper and color 6 of them blue and the other 6 red.

Step 3: Use your scissors to cut out the 12 stars.

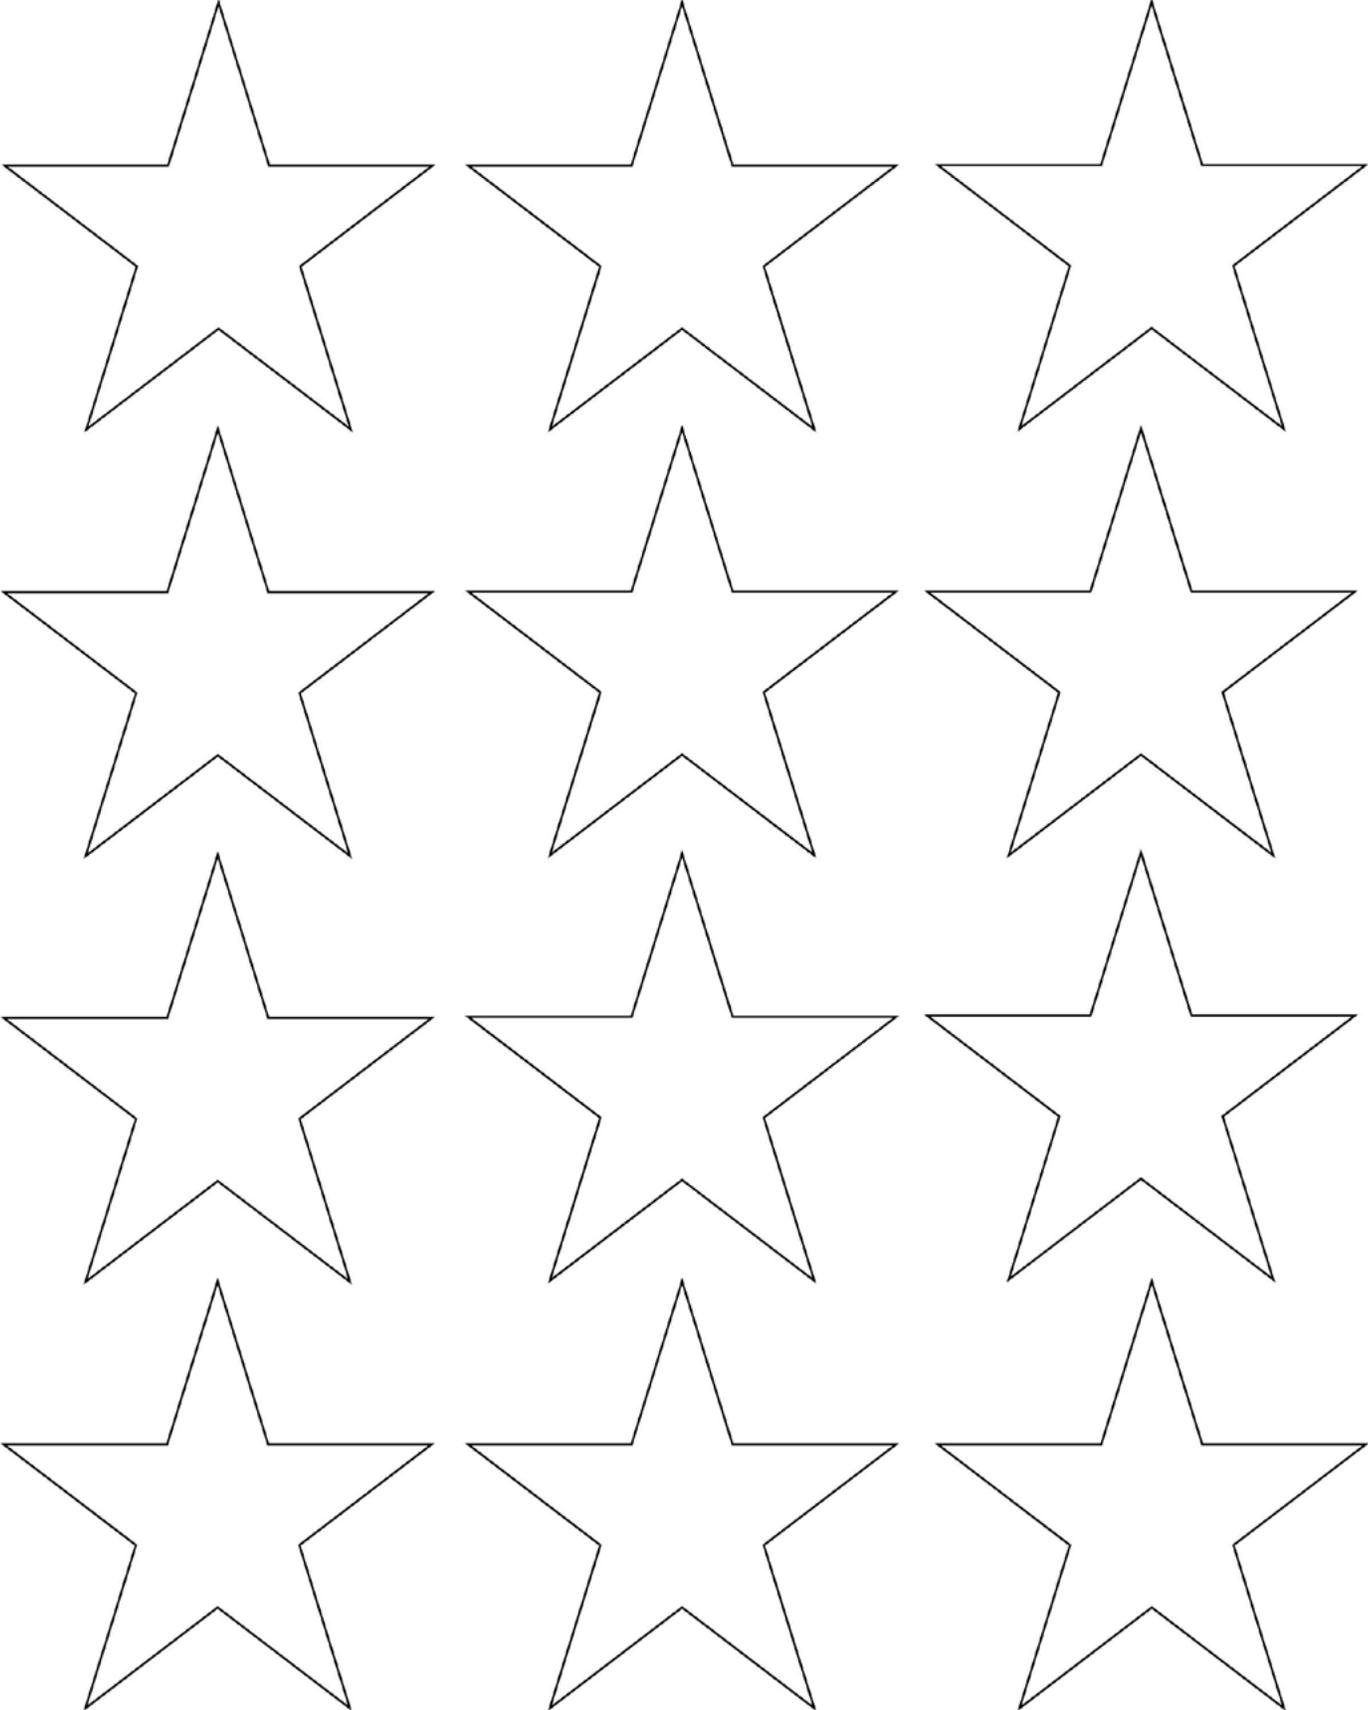

Step 4: Glue the stars to the paper plate, switching between red and blue to make a pattern. (See the picture above)

Step 5: Use a marker to write these words on 6 of the stars: IN GOD WE PUT OUR TRUST

Step 6: Take the ribbon and fold it in half to create a loop. Glue both ends of the loop down to the back of the paper plate. This will be where you hang the wreath from.

Step 7: Lay the wreath flat to dry.

Enjoy!
