## From the Pastor

I was looking out my front window the other day and noted how far south the setting sun seemed to be, that is, compared to its position in the summer months. This summer, the sun was directly in front of our house, shining brightly through the neighbor's trees. Now it is down the street, so to speak, and not blinding my view of the pond behind my neighbor's trees.

Creation amazes me. The sun didn't move; the earth did – spinning at a constant rate so we experience day-to-day and month-to-month and season-to-season. This month, we gain an additional day to keep the seasons and calendar in order. I suppose once upon a time I understood it all ... took a test ... and then returned to my normal business not thinking about all this science.

I often hear people say, "I don't have enough time!" or "There aren't enough hours in the day." However, reality is that time remains a constant. I have always had and will always have 24 hours each day. It is up to me to determine how I will use my time, so that time doesn't "get away from me."

What if we embraced each day, not as normal science but as a special gift? How will you embrace your gift?

Instead of taking time to enjoy creation or the enjoyment of family and friends – MAKE time for the things that enrich your life and strengthen your faith.

Don't be a victim of the clock or calendar.  
MAKE time work for you!  
Assess your priorities – and remember: God wants to be discovered!  
God wants you to know grace and power and victory!  
God is steadfast ... just like the sun in the sky.

This month, use your time wisely.  
I'm striving to move closer to God. How about you?

Grace and Peace,

*Pastor Sondra*

## Through The Years

This month we will continue with more descriptions of stained glass windows at Mentor Methodist. The original inspiration for such glass was the building of the 1906 Sanctuary (where the Chapel now stands). There are some pieces that probably no longer exist, but there are some that weren't covered last month. In the Chapel there is a panel that has no designation on it. We do not know the donors but it is known that Harry King and his sisters (names not known) did donate three panels. It is possible that the panel in the Chapel is one of these. The King windows were located on the north wall of the 1906 Sanctuary. 

Three windows existed on the east wall of the 1906 Sanctuary. They were given by Horatio and Elizabeth Munson. The middle window was dedicated to their son, Henry Edward Munson who died while a student at Oberlin College in 1890. The left window was dedicated to Horatio Edward Munson and the window on the right was dedicated to Elizabeth Munson who lived until 1939, aged 98. Sadly, these windows are lost to history. The Munson family is buried in a prominent gravesite in one of the oldest sections of the Mentor Cemetery. Munson Road in Mentor is named for the family.

There is, however, another stained glass window from this era that exists. It is located in the Gallery and I am sure many of you have noticed it. It was restored in 2016 thanks to contributions from the congregation. Also in the gallery is a stained glass cross given by the youth of the church in honor of the building of the current Chapel in 1988. It was moved to the Gallery from the Chapel.

The Asbury Room contains two windows that you, members of the congregation, helped create. These were created for the building addition in 2012. People were asked to select pieces of glass and placed them on a form. The windows were then completed and hung in the Asbury Room. Check them out if you haven't noticed them.

The history of stained glass windows is just one more example of the love that people, over the generations, have for this church. The talents and gifts of its people have made Mentor United Methodist Church what it is today.

Do you have any MUMC history you would like to share with the congregation? Please send it to: Don Humphrey, 7330 Holly Park Dr., Concord, Ohio 44060-6704 or e-mail to: [dhumphrey@ameritech.net](mailto:dhumphrey@ameritech.net)

## Children and Family Ministries

As I sit here on a cold January afternoon, I wonder if there will be any snow days in February. I also wonder if parents will be looking forward to a snow day. Since kids have just returned to school, I think maybe by the time you are reading this, it will be time for a cozy, laid back day of snuggles, hot chocolate, and wearing pajamas all day....

So, I must've been feeling sassy thinking that people would have time to read by January 14 for Book Club! I have re-scheduled it for Monday, February 3, from 6:00 to 8:00 pm. The book is [Queen Bees & Wanna Bees](#) by Rosalind Wiseman . I've started this book, and let me tell you, there are some nuggets in there! I know this is geared toward parents of daughters but there is a companion book for parents of sons. I am happy to have that as a discussion if there is interest.

How is your 2020 calendar shaping up? What have you put on your family calendar? What is your first priority for your family? Is church on your calendar? I hope it is. If you have been unable to be at church, any time is a great time to start up again. If you are not receiving my weekly emails with the topic for Sunday, please let me know. I want to encourage and support you as you lead your family onto a path of Christ-centered discipleship.

I was able to hear Dr. Joshua Straub speak twice at ETCH. During his break out session, he shared that the most effective parenting tip is PRAYER! I couldn't agree more. It is amazing what happens when we pray and pray with intent. Another effective tip is to understand the environment in which we are raising our children. Parents need to remember that children are created in God's image rather than being God's gift to the earth. Children are also born broken and sinful. Parents need to remember that their children are not only their children but also their brothers and sisters in Christ. And parents need to remember that the reason that human beings were created is to be in relationship with God and with one another. It is important to realize that our children's hearts are cultivated by entering into a relationship with them. A safe relationship is one that has love without fear. Dr. Straub referenced the Circle of Security [www.circleofsecurityinternational.com/](http://www.circleofsecurityinternational.com/). This is important to remember in today's society where anxiety is so prevalent. Dr. Straub shared these points regarding speaking to your kids:

- When they're anxious
- In discipline
- About their interests
- In our mistakes
- In pure laughter and play

I hope that my recap of the sessions I attended have been helpful to your parenting. As always, please let me know how I can come alongside you on this journey. Please be sure to stay up to date with what is happening either through the app, website, and/or Facebook. All of the summer dates are available!

By HIS Grace and through HIS love,  
 Tammy

For our February meeting, we will meet in Fellowship Hall where we will be doing what has become our annual service project - cleaning the candle holders and sorting through the candles used for our Christmas Eve candlelight services. If you have a small paring knife, please bring it with you. Join us for a time of work, fellowship and refreshments. All women of the church are welcome to become a part of this women's fellowship. If you would like more information or have questions contact Georgeanna Allen at 255-5515.

In case of inclement weather, our policy is to not meet if Mentor Schools are closed. Please check one of our local TV channels for school closings or call the Church Office at 440-255-3496. We will advise them if we are canceling.

### Arboretum Bottle Donation

The Holden Arboretum is in need of clear 2 liter bottles to build terrariums with the 3rd grade classes from their Growing Students In Science program. We need about 125 more bottles, so would appreciate anyone who would be willing to save them for us. Green bottles will not work. Anyone who has some to donate can call Carolyn Sechnick at 255-7177 and she will arrange to get them. Thank you for your help.

### Safety and Security Training

February 10, two sessions offered at 2:30 PM and 7 PM  
As a church, we seek to provide a safe environment to all who enter our facility. All ushers, greeters, teachers, and leaders are invited and encouraged to attend an upcoming training session. We will learn about being aware of our surroundings, as well as how to handle situations should they arise. Please plan to attend the afternoon or evening session, which will be led by law enforcement officers.

### Mentor UMC Scholarship for Post Secondary Education

Deadline: April 10, 2020, 4 PM  
The Scholarship Committee is pleased to offer Mentor UMC scholarships for both vocational and academic post-secondary pursuits.

Scholarships will be awarded to high school seniors graduating in 2020, current undergraduate college and vocational students, as well as seminary students. The student applying must be a member of Mentor United Methodist Church (as of April 30, 2019) and meet all other eligibility requirements. If you were confirmed at MUMC, you are a member. If you took the BASICS classes and joined the church as an older student, you are a member. For questions about your membership, please contact the church office at (440) 255-3496. You are to print out the completed application form and mail or deliver it along with other required documents to the church office before April 10, 2020, at 4 PM.

All information is saved to an account and password that you set up and does not need to be completed in one session. Questions? Please contact Tami White, MUMC Scholarship Chairperson at [Scholarship@mentorumc.org](mailto:Scholarship@mentorumc.org).

### Joseph Ministry

Do you have a small home repair project that is too small for contractors? Maybe you have a leaky faucet or a bad light switch or perhaps need a railing or a shower bar installed. We have a team of volunteers on call for your minor emergency fix-it project. The Joseph Ministry is ready to help. Contact the church office at 440-255-3496 and let them know what you need, and we may, with some exceptions, be able to help.

### Outreach Opportunity

Mentor UMC is doing an outreach through a Band Night at Toth's Bar at 6966 Heisley Rd, Mentor on Friday, February 21 from 7-10 PM. The Ben Gage Band from Akron will be coming and playing their stylings of folk and Americana music. We encourage any adults interested to attend while looking for opportunities to share your faith and love with the patrons of Toth's bar as they enjoy a night of music. This is also a perfect event to which to invite your friends, relatives or neighbors who may be reluctant to try a church but might enjoy an evening of music and fellowship. For more questions, please contact Quincy Wheeler at 440-417-8078 or [qwheeler@mentorumc.org](mailto:qwheeler@mentorumc.org).

For the most current information, please see the calendar at [www.mentorumc.org](http://www.mentorumc.org).

### **Prayer Focus for February: Missionaries**

*This is love: not that we loved God, but that God loved us and sent his Son as an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another. 1 John 4: 10 & 11*

February is traditionally known as the love month because of St. Valentine's Day. A priest in 3rd century Rome, Valentine sought to comfort those being persecuted for their faith. The result, he was arrested, beaten, and ultimately beheaded. Not a sweet story to recall ... yet because of his great love of God he was willing to risk his life, worldly position and possessions to help others know God's love.

Take time to pray for missionaries – those willing to sacrifice and serve, often in places and situations way beyond their comfort zones. Because of faithful witnesses many come to know and experience God's love. Specifically, pray for missionaries our church supports: Helen Roberts-Evans in Liberia, and Mark and Eszte Landerholm in Hungary. And also pray for those who have or are considering serving on mission teams – Puerto Rico; Guatemala; YSP ....

God sends missionaries into all the world so all the world will know God!
