## WEEKLY UPDATE

The Super Bowl arrives with a reminder that MUMC's "Super Bowl of Caring" supports Project Hope for the Homeless. Especially on bitter cold days, we are grateful for the work of agencies who help people to be safe and cared for in our community. Thank you for your prayers, volunteer hours, and financial support of Project Hope. We are glad to partner with such an important Lake County ministry.

This week we continue our Lessons from Jonah, and consider what makes us angry. There is a lot of anger in our society. And, maybe even in your life. It is okay to be angry about certain things. Yet God reminds Jonah, and us, to assess our anger through the lens of God's compassion and mercy --- not our own ideas, opinions or perspectives. This is challenging and perhaps convicting. Yet ultimately leads to us knowing and experiencing the God of compassion and mercy. We will share in holy communion together – so have your elements ready. I also invite you to write on a piece of paper what anger you need to release. At God's table, we will exchange our anger for grace.

We continue to assess our re-launching plans for in-house worship. You will notice our online worship now has plexiglass shields for our singers and preachers. We continue to obtain the best quality HVAC filters, and are working to do what we can to provide as safe an environment as possible at our facility. We move ever-closer to a day when we can be back in our facility.

In the meantime, we persevere. We press on. We trust God to guide us. And, we give God glory and honor. Because God is compassionate and merciful, and never gives up on us! God is the author of super caring!

Pastor Sondra
