WEEKLY UPDATE

Sunday, March 21, 2021

www.mentorumc.org

Dear Friends,
Starting over isn't always easy. At times the task may seem impossible. How do we move beyond a difficulty or find the strength to face a challenge or relaunch in a new direction? We mourn and grieve; we grow tired and weary. Disciplining oneself to embrace a new reality is on-going work. Yet starting over is possible.

This week, the Lenten Journey challenges us to consider if God's Good News is written on our hearts. When we walk with Jesus, trust Jesus' directions and power, embrace God's provision ... God becomes the essence of who we are. We don't just read and learn about God. We find our way in the wilderness because God permanently has taken up residence within us.

Even as we journey through the pandemic, we must rely on God's permanent Good News on our hearts to lead us. God's presence and power at work within us will see us through and enable us to be witnesses for others who are struggling to find their way.

Today is the day let's get that tattoo on our hearts: God loves me!

I pray it makes you face life differently ... and enables our ministry together to make a difference in our community.

Pastor Sondra

UMCOR

UMCOR – the United Methodist Committee on Relief, responded to 55 unique disasters in 2020. Complicated by a global pandemic, UMCOR still found ways to offer hope to those facing challenges around the world: wildfires, floods, tornadoes, hurricanes. Most recently, UMCOR has been present to assist Texas in recovering from an unprecedented wintry blast.

Often when news sources report a disaster, UMCOR is already present or on the way. Through your generous financial support, the United Methodist Church can be present for survivors of climate and manmade disasters to give hope and assistance. In the next few weeks we encourage you to give to Mentor UMC, and designate a gift to "UMCOR". March's UMCOR Sunday replaced what used to be called "One Great Hour of Sharing". All donations go directly to disaster relief.

Heifer Project Due April 3

This year we will work toward purchasing a flock of chicks for families in need. For every \$20 donated, Heifer International will provide a family with a starter flock of 10 to 50 chicks, along with the training that will empower them to turn this one-time donation into a lifetime of opportunity. Our church goal is to raise enough money to purchase 50 FLOCKS (\$1,000 total) by April 3.

How you can participate: Have your child(ren) earn money for Heifer International by doing any of the suggested chores listed on the Chore Calendar which can be found at www.mentoruc.org/heifer-project. Bring any money earned to church on Saturday, April 3, 2021, between 10:00 AM and Noon, during the Easter Egg Hunt. You will receive a special reward for all your hard work. Plus, other Easter treats will be distributed at that same time.

Finance Committee

2020 was definitely a year like no other, but a bright spot through the challenges we faced was certainly your on-going commitment to the ministry of Mentor UMC. Despite a lack of in-person worship, our congregation faithfully contributed, and we were able to collect 92% of our planned receipts. Likewise, our committees and staff were diligent in monitoring expenses resulting in us spending 85% of our planned expenses. In what was a challenging year on so many fronts, it was great to see the church able to cover the needs of the church and provide additional funds to Missions, Trustees, and the Pastor Discretionary Fund to continue to reach out into the world to share God's Good News.

From the Finance Committee, we wanted to thank the congregation, committee members, and our church staff for all that you continue to do to support the ministries of Mentor UMC.

Community Service Opportunities

The Mission Committee invites the congregation to be a part of outreach into our community by getting involved in Community Service Volunteer Opportunities. There is no better way to be the hands and feet of Jesus! We will be highlighting community opportunities for service monthly. We welcome your participation and suggestions. Contact Bill Mueller at muellerhomeoffice@oh.rr.com.

See our website for details. [On our homepage click on Welcome, Community Resources, and Community Service Opportunities](#) You can also use the app and select Community Service Opportunities under Events on the Welcome screen.

Modern Worship Ushers Needed

The Modern Worship Service needs two ushers. As of right now, two ushers are needed at the 9 AM service. When we get back to two services at each time, one usher would be at the 9 AM and one at the 11 AM service. Please contact the Church Office or head usher Kurt Hinkley at kcaptains03@gmail.com or phone 216-854-0149 if you are interested.

Palm Sunday Video for Modern Worship

We ask all kids (and kids at heart) to make their own palms using materials from home. See the [link for some patterns](#) to trace and photos of other creative examples, but you are welcome to come up with your own design. Have fun, get creative and use whatever supplies you already have on hand: construction paper, brown bag, craft paper, tissue paper, felt, wrapping paper, an old school folder, cardboard, etc. You can even use branches and greens from outside. Feel free to color, paint, bedazzle or otherwise decorate your palms. Then we'd love for you and your families to practice your palms procession at home in advance and record a video to share with us for a special virtual Palm Sunday parade! Please record your videos in LANDSCAPE/HORIZONTAL orientation and send to Michelle Park at mpark@mentorumc.org by Wednesday, March 24. We can't wait to see your "Hosanna" parades!
