For unto us a child is
born...His name shall
be called Wonderful,
Counselor, The Mighty
God, The everlasting
Father, The Prince of
Peace
Isaiah 9:6

How many times have you finished a prayer with the words, "in the name of Jesus, amen?" The Bible says that one day every knee will bow to the ground at the mention of the name Jesus. What is it about that name? Certainly there is no other name that is so powerful. When the name of Jesus is mentioned it can heal, chase away evil, and bring incredible peace and happiness. Is the name of Jesus just a magic word like hocus-pocus? Absolutely not! It's a name that speaks of the King of Kings, the ruler of the universe, and the Prince of Peace. Wherever the name of Jesus is spoken for good, you can be sure that Jesus is right there, waiting to do something wonderful.

Think about how awesome that is. Wherever you are, you can call on the name of Jesus to help make something good happen. You don't have to be an adult, a minister, or anybody special. Anyone who is a child of God can call out the name of Jesus and He will be there instantly. Now you have to remember that He is God, and that makes Him smarter than everyone else. So sometimes He may answer your prayers a little differently than you thought He should. However, He will always answer in a way that will bring glory to God. So when you are around others, don't be afraid to speak out the name of Jesus, and ask Him to help your family, friends, teachers, neighbors, and anyone else that has blood pumping through their body. It's a powerful name, so don't leave home without it!

THE NAME OF JESUS

Jesus was a man. He was the Son of God. To top it off, Jesus was also God. Everywhere He went people would call out to Him. No other name was capable of bringing such blessings from heaven. But Jesus wasn't the only name by which He was called. Below are just a few of the many names used to describe our Saviour. See if you can find them in the puzzle below.

Ice Cream! You Shake It! You Make It!

You Need: 1 small ziploc bag, 1 large ziploc bag, ½ cup milk, 6 tablespoons of salt, ¼ teaspoon vanilla, ice cubes, 1 tablespoon of sugar.

Place your milk, vanilla, and sugar in the small ziploc bag and seal it. Fill the large ziploc bag half full of ice and salt. Place the small bag inside the large bag. Seal the large bag and shake for 5 minutes. After you are done shaking, take out the small bag, grab a spoon, and enjoy your homemade frozen treat! If you feel like getting fancy, throw in some Skittles®, M&M's®, or chocolate chips.

Chocolate Surprise!

Melt a Hershey's® chocolate bar in a bowl in the microwave. Pour the chocolate in a ziploc bag. Be careful, it's hot! Toss some tasty treats into your bag of chocolate and shake. You can use anything that sounds good. Examples are plain cookies, peanuts, or Cheerios®. Who knows, you may create a new candy bar sensation!

Pizza! Pizza!

Here's a simple recipe you're sure to enjoy. Spread pizza sauce on a slice of bread, and sprinkle cheese on top. For an extra good time, add pepperoni or cooked sausage. Heat in microwave until cheese melts. Make sure it's not too hot, then DEVOUR!

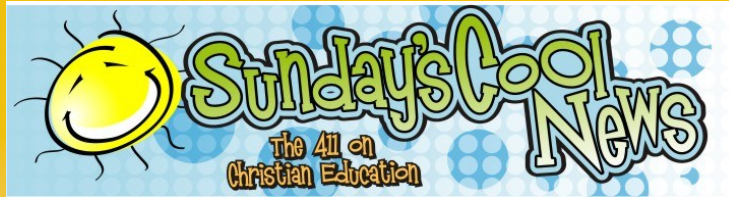

Remember to ask your parents for help anytime you're cooking!

Happy Birthday to...
