For even the Son of Man did not come to be served, but to serve...

Mark 10:45

Has anyone ever done something nice for you for no special reason? Jesus loved to do nice things for people. He had the heart of a true servant. During the Last Supper, Jesus showed His disciples a true act of kindness. After everyone had eaten, Jesus got a bowl of water and a towel and began to wash each of the disciples feet. The act He performed was usually done by a servant because it wasn't a very pleasant job. By washing the disciples feet, Jesus showed them how much He loved them. He didn't do it to get a prize for being nice, and He sure didn't do it because it was the cool

thing to do. Jesus washed the disciples feet because he loved them and wanted to do something special for them. The disciples feet were very dirty. They wore sandals and walked every where they went. The roads were made of dirt, so you can imagine that washing their feet was not a clean job. Jesus showed us a great example of being a servant. Pray and ask God to show you a way to serve someone this week. It's simple to do. Ask yourself three questions. "What do they need?" "How can I help?" "When would be the best time to help them?" Remember, when you serve with love, God's blessings will be your reward!

HEIFER INTERNATIONAL PROJECT SET TO KICK-OFF MARCH 27TH!

Heifer International's mission is to work with communities to end world hunger and poverty and to care for the Earth.

Dan West was a farmer from the American Midwest and member of the Church of the Brethren who went to the front lines of the Spanish Civil War as an aid worker. His mission was to provide relief, but he soon discovered the meager single cup of milk rationed to the weary refugees once a day was not enough.

And then he had a thought: What if they had not a cup, but a cow? That "teach a man to fish" philosophy is what drove West to found Heifer International. And now, nearly 70 years later, that philosophy still inspires our work to end world hunger and poverty throughout the world once and for all.

STAY TUNED FOR ALL THE DETAILS ON MARCH 27.

NOT WARM YET? DO SOMETHING INSIDE!

If you're sitting around this month, and you find you have a little time on your hands, try some of these great activities. You won't believe how fast time flies when you're having fun!

Masterpiece Modeling Clay

1 c. flour
 1 c. water
 2 tsp. cream of tartar
 1 Tbsp. salad oil
 1/2 c. salt
 food coloring

Mix all ingredients in a large saucepan. Stir over medium heat with a wooden spoon. Stir constantly. The mixture will be soupy for a few minutes. When it thickens, stir it into a ball, remove the pan from the heat and keep stirring. Place hot ball onto floured surface, and knead as it cools. Now create the next masterpiece of the world!

Foil Face Sculpting

Get one large piece of foil. Carefully press it onto your face. Press in around your nose, lips, and eyes; then remove. Try doing this while you're making a goofy face and see how it turns out!
