Dear Brothers and Sisters,

We continue to follow our state government and local agencies for the most current updates regarding the coronavirus (COVID-19). And, we have looked to our episcopal leader, Bishop Tracy Malone, for guidance.

**SERVICES FOR SUNDAY, March 15 and March 22 WILL NOT OCCUR AT MENTOR UNITED METHODIST CHURCH.**

We will work to provide information to you as to how you can continue to support our mission and ministry. We ask for your continued prayers, and urge you to care for yourself. Be compassionate in your care for others, as well.

Please call us if we can be of assistance to you.

Pastor Sondra and Pastor Quincy
